SEESAW LEARNING JOURNAL PERMISSION

Dear parents/carers,

Evatt School uses *Seesaw to* create a digital portfolio that is added to year on year and is accessible by parents/carers. Teachers and students will be able to post work samples, photos, videos and voice recordings to their personal portfolio so that you are able to see their work throughout the year and comment on their progress. Information posted by your child is accessible by **you only** unless they have worked in collaboration with others. In this instance, parents/carers of all students involved in the piece of work will have access and be able to comment. All photos will be posted within the private Evatt domain and not publicly accessible.

As our school has registered with a web-based service provider that requires some personal information about a student in your care, we are obliged under the Commonwealth Privacy Act (1988) to advise you of the reasons for collecting the information, what will be done with it and who else may have access to it.
